HOME COMFORT COOL CONNECT™ PORTABLE AIR CONDITIONER

SIGNATURE FEATURES

Control Your AC from Anywhere at Anytime

With the Frigidaire® Smart Appliances App, you have complete control and customization of your AC unit. No matter where you are, you can change temperatures, fan speeds, and even program weekday and weekend cooling schedules.

Sleek, Modern Design

Reimagine what a portable air conditioner looks like. With an innovative cylindrical design, LED lighting, and modern mesh exterior, the Cool Connect™ Portable Air Conditioner is sure to blend seamlessly into any room.

Quick and Even Cooling of Any Room

360° airflow circulates cold air in an upwards, continuous spiral reaching every corner of your room faster.

Low-Profile Window Kit

The innovative window kit provides an airtight fit for any window between 22-44" and installs in seconds, no tools required. With the low-profile design, the window kit takes up minimal space for maximum visibility. Comes with an anti-theft device.

PRODUCT DIMENSIONS

Height	36-13/16"
Width	12-5/8"
Depth	12-5/8"

MORE EASY-TO-USE FEATURES

Designed for Portability

Bottom-mounted caster wheels and heavy-duty handles let you easily move the unit from room to room, providing cool air wherever you need it.

Compatible with Amazon Alexa

Turn your unit on and off, set a temperature, or raise and lower the temperature by simply speaking.¹ Compatible with Alexa devices such as Echo, Echo Dot, and more.

Works with the Google Assistant

Turn your unit on and off, set a temperature, or raise and lower the temperature by simply speaking.² Works with the Google Assistant devices such as Google Home and more.

Easy-Clean Mesh Filter

Four anti-bacterial mesh filters eliminate common airborne contaminants like bacteria, dust/lint and pet dander from your air. Easy to remove, and easy to clean. Simply vacuum, or place under running water.

Eco Mode

Energy-efficiency with uncompromised cooling. When the desired room temperature is reached, the AC continues to run in short intervals, keeping your room cool and saving you on energy costs.

Air Ionizer

An internal, electronic air purifier is energized to remove pollen and impurities from the air, improving your comfort.

Exhaust Hose Cover

Prevents hot air from leaking through the unit exhaust hose, saving you money on energy costs.
